**Chapter**

**5th Br Interpore Conference**  
**1 – 2 August 2022**

The **scientific program** will cover most porous media subjects, including:

- Porous Media & Green World;
- Porous Media & Smart Materials;
- Porous Media & Oil Science;
- Porous Media & Synchrotron light, Biosciences, Biorenewables, Nanotechnology;

**Presentations** will be given on a wide variety of porous media processes in very diverse applications, such as:

- **Green World:**
  - ▶ Rien van Genuchten, Utrecht University
  - ▶ Didier Lasseux, University of Bordeaux
  - ▶ Sibeles Pergher, UFRN
  - ▶ Sebastião Mardônio Lucena, UFC
  - ▶ Pedro Leite Silva Dias, USP
- **Smart Materials:**
  - ▶ Márcio Carvalho, PUC-Rio
  - ▶ Jon Otto Fossum, NTNU (Norway)
  - ▶ Caetano Rodrigues Miranda, USP
  - ▶ Débora Freitas, Microfactory
  - ▶ Tito Bonagamba, USP (São Carlos)
- **Oil Science:**
  - ▶ Fabio Pereira dos Santos, UFRJ
  - ▶ Siân Jones, TU Delft
  - ▶ Grigori Chapiro, UFJF
  - ▶ Fernando Rochinha, UFRJ
  - ▶ Patricia Pereira, LNCC
- **Synchrotron light, Biosciences, Biorenewables, Nanotechnology:**
  - ▶ Harry Westfahl Jr, Director LNLS/CNPEM
  - ▶ Steffen Berg, Shell Amsterdam & Imperial College
  - ▶ Talita Ferreira, LNLS/CNPEM
  - ▶ Cristiane Rodella, LNLS/CNPEM
  - ▶ Mathias Steiner, IBM-Rio
